Patient Consent: By signing this form, I am consenting to allow the above physician to share my health and insurance information as necessary with a pharmacy to allow them to determine my coverage and/or bill my insurance company/provincial drug plan. I further consent to having the above physician act as my agent and to allow the above physician to obtain BOTOX® on my behalf from Allergan Inc. I will provide my credit card information to the pharmacy, if required, to allow them to bill my card for any co-pay or deductible required by my insurer for the BOTOX® medication.

Patient Signature

Following your first treatment, Silverado Medical Clinic will send your prescription to Bioscript who will review your insurance coverage and phone you to set up your Rx file. If your spouse has insurance, be sure to have that information available as well.
